Minibus Travel

The Three School have four minibuses which are used to move children between Swanbourne, Drayton Parslow and Mursley school sites.

The children will move between sites for certain lessons including

- P.E.
- wraparound care
- music

Children will be fully supervised during these journeys and the buses are driven by named members of staff who have taken a specific driving test for transporting children.

We may also use the buses to move children to another site for special events or school trips. You will be informed of these events through ParentMail.

I give permission for my child to be transported between The Three Schools as mentioned above.
