# Individual Activity Risk Assessments

	1	1	Low 1	Children taught not to run in muddy area	1	1	Low 1
Water (children)	5	1	Low 5	Adult supervision to ensure sensible play. No climbable equipment near water tray	5	1	Low 5
• Drowning							
• Swallowing water	1	3	Low 3		1	2	Low 2
playhouse/sheds (children)				Wood treated and checked regularly	2	1	Low 2
• Splinters	2	1	Low2				
• Shutting fingers in doors	2	2	Low 4	Adult supervision	2	1	Low 2
• Slipping on decking							
	2	3	Medium 6	Adults to check Children warned not to go on decking when wet Decking treated	2	2	Low 4
washing lines, bungee ropes	5	3	High 15	Adult supervision Washing line positioned around edges of play area No climbable equipment to be near the washing line Children shown how to use bungee ropes correctly, supervised	5	1	Low 5
• entanglement (children)							
• injury caused by hooks on ends of bungees							
toxic plants (children)	5	1	Low 5	Outside area checked weekly for fungi and unwanted plants. No known toxic plants brought into setting. Children warned not to eat anything they find outside.	5	1	Low 5
insect stings (children/adults)	2	3	Medium 6	Area checked regularly for insect nests. Adults model calm behaviour when insects present.	2	2	Low 4

# Drayton Parslow Village School EYFS

# Individual Activity Risk Assessments

				No food or sweet substances used outside when high presence of insects.			
effects of weather (children/adults)	3	2	Medium 6	Daily checks of equipment and outside area considering extreme weather conditions e.g. ice, wind	3	1	Low 3
loose fixings (children)	1	3	Low 3	Daily equipment checks	1	1	Low 1
animals (children)	2	1	Low 2	Adult supervision	2	1	Low 2
Outings (children) <ul style="list-style-type: none"> <li>Walking around the village, walking to the hall for PE, walking to the bus in car park.</li> </ul> (See visit specific risk assessments)	5	3	High 15	Correct adult:child ratio maintained Adults walk on road side of children Children hold a partner's hand Staff vigilant at all times Regular headcounts Mobile phone, list of children, contact details, first aid kit, medication, change of clothes, wipes, etc to be taken. SEE LOCAL WALK RISK ASSESSMENT	5	1	Low 5

## Individual Activity Risk Assessments

Step at inside/outside door	3	3	Medium 9	Children not allowed to run in and out of classroom. Children warned to be careful stepping through door.	2	2	Low 4
food and drink							
• Choking (children)	5	3	High 15	Adult supervision Children must remain seated while eating. Packed lunches monitored for potential hazards children discouraged from sharing food, no nuts provided at snack time, parents provide written details of known allergies children wash hands before eating.	5	1	Low 5
• Allergic reaction (children)	5	2	Medium 10	Separate risk assessment to be in place in the case of a child with an allergy attending school.	5	1	Low 1
• Slipping on spilled food or drink (children/adults)	2	3	Medium 6	Any spillages mopped up immediately.	2	1	Low 2
scissors (children)	2	3	Medium 6	Adult supervision Only child safety scissors used Adult modelling correct and safe use of scissors Children taught to carry and store scissors safely.	2	2	Low 4
pencils/pens (children)	2	2	Low 4	Adult supervision Adult modelling correct and safe use of writing equipment. Children taught to hold and store correctly.	2	1	Low 2
craft materials (children)							
• eating/choking	5	2	High 10	Adult supervision Providing age and developmentally appropriate resources.	5	1	Low 5
• injury from sharp edges							

## Drayton Parslow Village School EYFS

## Individual Activity Risk Assessments

• Small items in orifices	1	2	Low 2	Resources checked for sharp edges Adult supervision	2	1	Low 2
	2	3	Low 4	Age appropriate resources Modelling sensible use	2	2	Low 4
Playdough Eating / choking (children)	5	2	High 10	Adult supervision Modelling sensible use	5	1	Low 5
small toys (children)	5	2	High 10	Adult supervision Age appropriate toys Adult modelling sensible use Children not allowed to put toys in mouths.	5	1	Low 5
electrical equipment (children/adults)	5	2	High 10	Socket covers in use at all times when items unplugged. Equipment checked annually by registered electrician Condition of wires, plugs etc checked daily and dangerous equipment removed	5	1	Low 5
dress up entanglement (children)	2	2	Low 4	Adult supervision Clothing checked for loose parts eg buttons	2	1	Low 2
staples/drawing pins (children)	2	3	Medium 6	Adults ensure staples and drawing pins are securely fixed into walls where used. Adults ensure staples and drawing pins are securely disposed of after use. Floor vacuumed daily	2	1	Low 2
chairs and tables (children/adults)	2	3	Medium 6	Children not allowed to run inside Children not allowed to climb on chairs and tables Adults not to stand on chairs or sit on tables when children are present.	2	2	Low4

### Early Years Foundation Stage General Risk Analysis

- be aware of the temperature of tap water

- keep unused electrical sockets secure with safety covers
- mop up spilt liquids promptly and cover with newspaper until dry
- sweep up spilt sand promptly
- keep floor clutter free
- make sure that computer cables do not trail on the floor
- make sure that the computer is not left on unattended
- check all play equipment regularly
- replace worn handgrips and pedals where possible
- warn children about the dangers of trapping fingers in doors
- supervise children outside at all times
- make sure that the gates are bolted and make children aware that they are not allowed to unbolt them at any time.
- be aware of children outside slipping

**General Points to consider:**

<b>Visibility</b>	
How much of the outside area can be seen?	Adults must ensure that all children are always in sight.
Are there any blind spots?	Yes. Around corners. An adult must always be outside with the children.
<b>Access/security</b>	
How do children access the outside environment?	Through the classroom door.
How are access points made secure?	The exterior gate has a padlock which is only ever opened by an adult.

How often are the fencing/gates checked by staff?	At the beginning of each session by staff. During session by children to raise their awareness
<b>Equipment</b>	
Which equipment / resources will always require adult supervision?	Climbing frame. All outdoor activities have general adult supervision to ensure everyone is safe and children are playing appropriately.
Which equipment/resources will require regular safety checks?	All items are checked daily.
When and by whom will these checks be made?	Before each session by staff During session by children to raise their awareness
<b>Pupils</b>	
Are there any children who will need particular support and supervision in the outside environment?	Not currently
How many children can have access to the outside environment?	All children.
