Warning: if shown in a cinema this would have a 15 certificate.

0:01 / 5:30

“Safety shouldn’t be about safety, it should be about living and learning...When we put learning first, people first, relationships first, respect first and living first, then we might get to the heart of safety.”

- Dr Rob Long, quoted by Allison Allen in *Keeping Pupils Secure in a Connected World*, Naace blog: E-safeguarding and Online Safety, 9 February 2016
2 Diagram from
<http://www.intel.co.uk/content/www/uk/en/communications/internet-minute-infographic.html>

c.59% of children have already used a social network web site by age 10.

Today's children feature in almost 1,500 online photos by age 5.

A survey of parents and 8-16 year olds found that while children begin exploring social media sites aged 9, less than a third of parents feel 'very confident' about helping them to stay safe online.

- 1 in 3 under 5's have their own tablet
- 5-6 year olds 71% have a device in the bedroom
- 3 hours per day
- 95% witness self harming
- 30% filters are switched off by 9 year olds
- 8-10 year olds have experienced threatening behaviour
- 4 in 10 Primary School children have a mobile

Ofcom – 17th November 2016

65% of parents are seeking advice from their child's school over online safety concerns

41% said they would welcome or need more advice

73% were concerned about their children accessing inappropriate information online

49% were worried about their child oversharing personal information

80% were concerned about unwanted contact from strangers/grooming

43% of 8-11 yr olds have a social media account. anti bullying charity ditch surveyed 1000 children and

60% had experienced online bullying,

Safety mode

- Safety mode hides videos that may contain inappropriate content flagged by users and other signals. No filter is 100% accurate, but it should help you avoid most inappropriate content.
- Safety mode also enables Google SafeSearch, and turning it off will disable Google SafeSearch.
- Safety mode will be enabled everywhere you use YouTube with this account.

☒ On ☐ Off

[Lock safety mode on this browser](#)

Safety mode lock prevents others from changing the safety mode settings on this browser.

This Morning

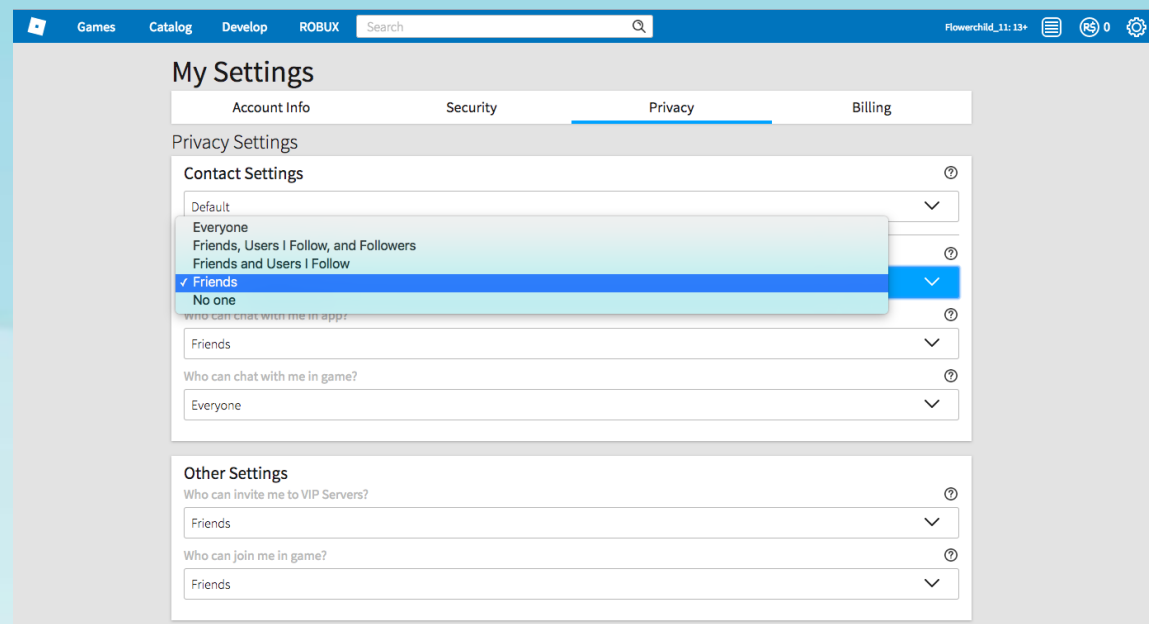

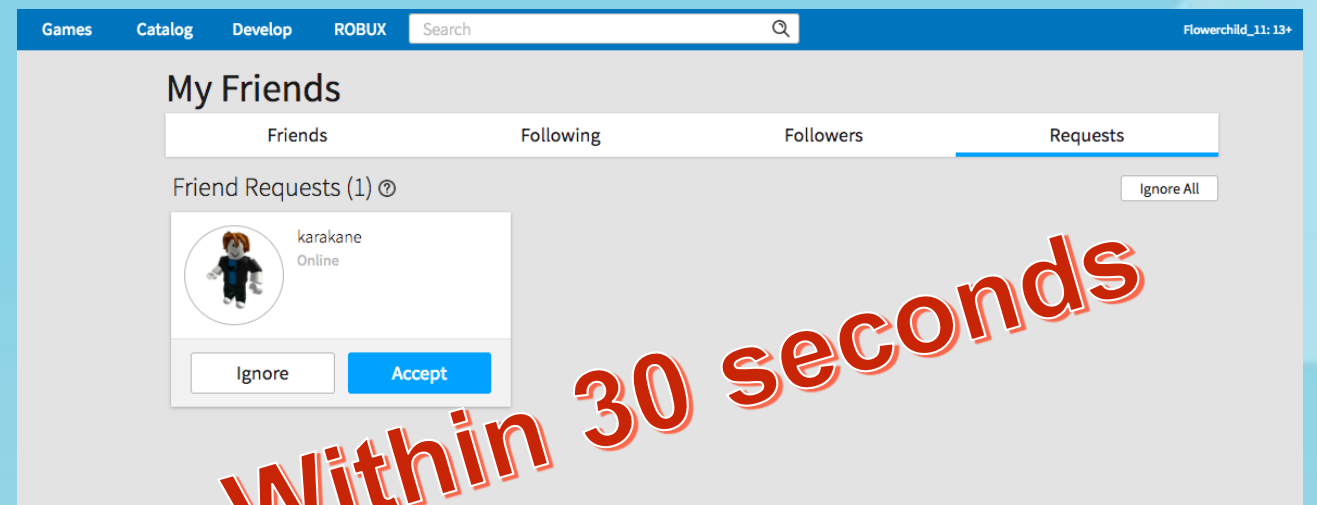

Yesterday at 09:31 · 🌐

Have you heard of 'Letter X'? It's the latest craze circulating Snapchat - encouraging children to post cruel insults towards an intended victim, targeting their weight, appearance and general personality. Today we'll meet Rachaele, whose 12-year-old daughter, Betsey refused to take part in the sick game.

Is your child addicted?

What to look out for

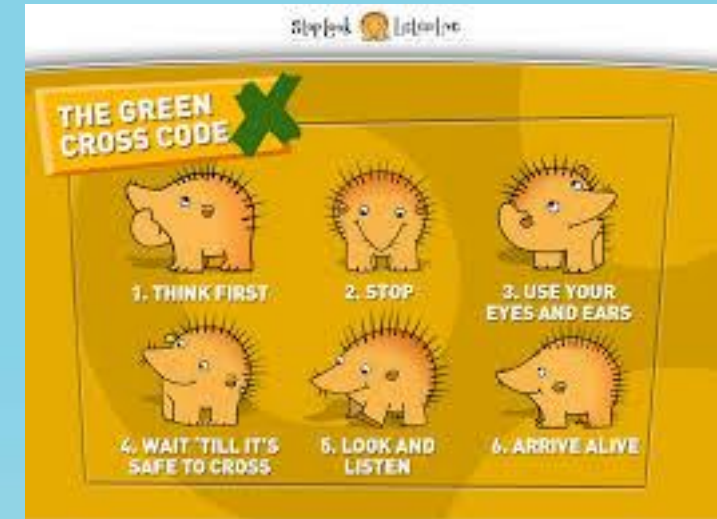

Losing track of time when online
Doesn't like being interrupted whilst online
Isolation from other people
Defensive over excessive usage
Hiding his or her internet use
Only happy when he or she is online

Helpful Apps

- Enable different content for different age groups
- Give access at different times of the day and restrict access
- Allow homework time online, this great device allows your child online, but will not allow access to YouTube, TV channels, Social Media and Games.
- Works with every device in the household.

It is what you cannot see, not what you can see
