

Our Christian Vision - *Let your light shine before others, that they may see your good deeds and glorify your Father in heaven* - **Matthew 5:16**

Friday 7th November 2025

News from The Three Schools

With **HONESTY, RESPECT, FORGIVENESS**
and **LOVE**, we persevere, succeed and shine.

Welcome back everyone!

Dear Parents and carers, we hope you had an enjoyable half term.

We have blinked and November is already upon us and the dark nights are drawing in. The Christmas adverts have hit the TV screens already!

The children have been incredibly busy in the first week back, with the Girls' football team playing their first league match, Year 5 enjoying a visit from Buckinghamshire Fire Brigade, the KS2 CAT team starting to create their own in-school shoeboxes for the Rotary Shoebox Scheme and Kingfishers Pre-School enjoying the Autumnal weather and learning all about Bonfire night and the festival of Diwali

Please enjoy finding out about our experiences in this week's newsletter.

David May (Executive Headteacher)

Attendance update (Autumn 1 2025)

EVERYday
counts
attendance matters

The 2025-26 school year is in full swing and across the Three Schools, staff have exciting plans and high expectations for your child's learning. We know that you also have many hopes and dreams for your child's success in school and beyond.

To make sure those ambitions are realised, we want to ask for your continued commitment and support to ensuring your child attends school every day possible this academic year.

The evidence is clear; children with good attendance are more likely to be successful in school. High attendance rates are linked to high pupil achievement. This is true for every stage of a child's educational career—EYFS, KS1, KS2, into secondary school and beyond.

Across the Three Schools we aim for excellent attendance which is **at least 96%**.

(To put this into perspective, 95% attendance over a school year equates to 1 day off a month).

Autumn Term 1 2025 —Whole School Attendance was as follows;

- Mursley—96.4%
- Drayton Parslow – 96.8%
- Swanbourne—96.69%

Look out for half termly attendance updates, with your help we are aiming for 97% and beyond across the Three Schools.

Girls' Football update

Girls' Football Match v North Marston (4th November 2025)

North Marston 0 – Swanbourne 1

On Tuesday the Swanbourne girls' team played their first league match of the season, away at North Marston. Having only played one other game, this team were looking to develop their skills and teamwork against an opponent in a similar position.

From the first whistle, every member of the team gave their best effort. Attack was the tactic for the day and with great enthusiasm, Swanbourne took the game to North Marston. Much of the play was in the opposition half, with Swanbourne winning the battle of the midfield. Unfortunately they were unable to create any clear-cut chances. At half-time the score was still locked at 0-0.

The second half started in the same way that the first had been played, although Swanbourne had swapped their goalkeeper. The pressure started to build and build, with Jess being the first to get a firm shot on target. More attacks led to more shots, but the game was heading towards a draw.

Then Bonnie, having returned to the pitch after a brief substitution, showed her renewed energy. She made a break away from a defender and managed to hit a shot that beat the goalkeeper into the bottom corner of the net. There was only about 90 seconds to go.

The game restarted, but the final whistle soon followed and Swanbourne gained their first victory. A great way to start the league campaign.

Well done everyone, it was a really enjoyable game to watch. Well done Luna for her captaincy and Bonnie for being named player of the match.

(Mr Thorp - Sports Leader)

The KS2 Golden mile update - W.C 20th October 2025

Gates are open at 8.25am—COME AND JOIN US!

W.C 20th October 2025 —It's been a fantastic week for the daily mile runners this week, a great effort!

The Star class this week is **Year 3** clocking up **219 laps** which is **11 miles!**

As a School collectively, we have managed to cover a staggering **403 laps** which is **20 miles!**

Certificates awarded to;

(Mrs Newman—Golden Mile Co-ordinator)

Children In Need – Friday 14th November 2025

On **Friday 14th November 2025** all Three Schools will be holding a 'Spots and Stripes Day' to help raise funds to support **BBC's Children In Need appeal**. Children will have the opportunity to wear Spots or Stripes for the day for a **voluntary contribution of your choice**.

There will be an option for you to donate online via Parentpay which will go straight to this amazing charity. (Parents do not have to register and you are given the option of gift aid too!)

Mursley's Perfect Poppies

Well done to pupils and staff at Mursley who have produced some beautiful Poppies to commemorate Remembrance this November. I am absolutely delighted to understand that local villagers and members of the public have taken the time to comment on the display. As you can see from the lovely comments below and the images of the poppies, the pupils have done an amazing job!

(Mr May – Executive Headteacher)

If I went back in time over a hundred years and said to a World War 1 veteran that in our village school infants would still be commemorating the death of his mates, even in 2025, he would be astounded.

The display on the school gates is beautiful. All the poppies are handcrafted.

Kingfishers Pre-School Update

A great first week back at Kingfishers, we can't believe we are already in November, the time is flying by,

We have started our new topic 'Let's celebrate' this week by looking ways we celebrate with fireworks. We explored the festival of Diwali and also Bonfire Night. We created some very sparkly firework pictures using a salad spinner, it was lots of fun watching the paint spin inside to create an amazing pattern.

We made breadstick sparklers in cooking, using a breadstick, chocolate and lots and lots of sprinkles. We predicted what would happen when we made the chocolate hot using the microwave and lots of us were right when we predicted that the chocolate would melt. We listened really carefully to the instructions given and once the chocolate was melted, we then spread the chocolate on the breadstick and made sure to add lots of sprinkles.

At forest school we had another camp fire where we toasted marshmallows and made smores. The wood was a lot drier this time so we were able to create a really successful fire. We also made nature crowns; we searched for nature treasures that we felt were incredibly special to create our own special head wear.

(Kelly Hall – Pre-School Leader)

Does your child love to sing?

The Mursley Singers are back for their Christmas concert in the church on Sunday 14th December. As it is always oversubscribed there will be two concerts, one at 2.30pm and then again at 5.30pm. As in previous years we would like to have a children's choir to sing two songs as well.

If your child is in school years 1 - 7 and enjoys singing, we would love to welcome them to the choir. We will have four rehearsals in the weeks leading up to the concert, provisionally booked for 4.00pm on 23th & 30th November, 7th & either 12th or 13th December. Rehearsals will last approximately 45 minutes. We will need the children to be able to attend all the rehearsals.

Please ensure your child is keen and happy to practise, and also that they are prepared to stand and sing at the front of a packed church.

If interested please contact me at k.m.rouse@btinternet.com

Also, if you want to see your child/children perform please be aware that you will need to buy tickets for the performances and they sell out quickly! See Open Gates for details.

Winslow Rotary Shoebox Appeal

What is the Rotary Shoebox appeal?

To bring a little happiness to disadvantaged children in Eastern Europe, often in orphanages, The Three Schools have volunteered to support the Winslow Rotary by joining join the many schools across the country by participating in the Rotary Shoebox Scheme.

Each year the Winslow Rotary organisation sends Shoeboxes full of gifts, filled by their supporters (schools, business and individuals), to trusted partners for distribution to countries in Eastern Europe including Romania, Moldova and Ukraine.

Although many boxes are delivered in time for Christmas (and there is still time to do that this year) the scheme runs all year round, not just for Christmas.

How we will be able to take part?

- Winslow Rotary will provide us with specially designed shoeboxes delivered to the schools
- There are four types of content you can choose to fill boxes and typically schools opt for either a box of toys for boys and girls or a box with contents geared towards teenagers/young people up to 18 years of age.
- We are inviting pupils and families to take a shoebox home and fill it with gifts.
- There is no charge to the school for the box itself as Winslow Rotary covers the £2 donation requested by the organisers for each box which contributes towards the cost of transport.
- School will then contact Winslow Rotary when all of our boxes are ready for collection and they will be taken away for delivery.

Rotary Shoebox Scheme

www.rotaryshoebox.org

Suggestions for filling your shoebox

Child ~ For young children

Cars, trucks, etc, balls, complete jigsaws, action figures, colouring books, pens, crayons, yo-yo, bubble blowers, wooden and plastic toys, pencil case, pencil sharpener, dominoes, playdough / plasticine & cutters, fluffy toys, dolls, stickers, writing pads, skipping rope, scarf, mittens / gloves, hat, harmonica, games, cards...

Teenagers ~ up to 18 years age

Sportswear, scarf, gloves, socks, hat, football memorabilia, writing materials, games, playing cards, tennis ball, tooth brush & paste, roll-on deodorants, comb, mirror, costume jewellery, make-up, hair brush, toiletries, school stationery, clothing repair kits, sketch pad, coloured pens / pencils...

Household Goods ~ For older folk & families

Scarves, gloves, hats, wrapped soap, toothpaste, toothbrush, disposable razors, shampoo, soap flakes, pan scourers, antiseptic cream, bandages, face or body creams, cosmetics, pens, writing pad & envelopes, T-lights, candles, sewing kit, scissors...

Baby ~ Age up to 12 months

This is given to new mothers and can include baby wipes, baby shampoo, baby oil, talc powder, bonnet, booties and mitts, baby grow, baby blanket, small soft toy or plastic rattle...

WHAT NOT TO INCLUDE IN ANY BOX

Do not include any sweets, chocolate, drinks or food of any kind
(They are against Customs regulations at country borders)

Battery operated toys, conflict related items, matches, inflammable liquids, inflammable aerosols (eg: deodorants & hair spray), seeds or any other living material, automatic washing machine powders

Please securely sellotape tops of liquid containers.
Protect anything sharp and do not put anything sharp into a CHILD box

- It is important to indicate on the box lid, who the box is for.
- The contents are of good quality.
- The box should be completely filled.
- Remember that the recipient will be opening the box in eager anticipation, and especially with the toys for the children, quite possibly the first real gifts they have received for a very long time.

“Spreading a Little Happiness”

We now have the shoeboxes in school, if your family would like to take part in this opportunity to support this wonderful charity, please email your school office or request a shoebox from the school.

Shoeboxes will need to be returned to school by Friday 28th November 2025.

What Parents & Educators Need to Know about

SNAP STREAK

97

WHAT ARE THE RISKS?

SNAPCHAT

AGE RESTRICTION
13+

With over 900 million active monthly users and billions of 'Snaps' sent each month, Snapchat is a popular messaging app among children and young people. It allows users to share fun, spontaneous pictures and videos with friends and family while using playful filters. One of Snapchat's unique features is that pictures, videos and messages are only viewable for a short period of time.

ARTIFICIAL INTELLIGENCE

Snapchat's use of artificial intelligence (AI) includes features like the 'My AI' chatbot and AI-powered filters, offering interactive experiences that can be fun but also pose risks. These tools may share unfiltered or inaccurate responses, promote unrealistic beauty standards, and collect personal data. Advanced filters and deepfake-style lenses can distort reality, potentially leading to manipulation, impersonation, or inappropriate content.

SCREEN ADDICTION

Snapchat boosts user engagement and daily use with features like streaks (daily Snapchat exchanges between you and a friend). When a streak's been going for a few days, users will see a 🔥 emoji. The number alongside it shows the number of days, but if users miss a day and break the streak, the only way to restore it is to pay. This encourages daily use habits, and frequent notifications can keep users returning to the app even more often.

SEXTORTION

Because Snapchat's disappearing messages feature may foster a sense of safety, users may become targets of sextortion. For example, a predator may pressure someone into sending nude images, then somehow capture those images to threaten and intimidate the victim. This might involve claiming they will share the images with friends or family unless money is paid.

SNAPCHAT+

Snapchat+ is the platform's premium subscription service, offering early access to new and exclusive features. In June 2025, Snapchat introduced a new tier called Lens+, giving subscribers access to hundreds of lenses and AR experiences for playing, creating, and sharing Snaps. These paid features may encourage young users to spend money to access exclusive content, increasing the risk of overspending or feeling pressured to make in-app purchases.

ACCESSIBILITY

Snapchat is now accessible from a web browser, meaning children can use it on a laptop or tablet without downloading the app. This can make activity harder to monitor, reduce the effectiveness of parental controls, and increase the risk of unsupervised communication or exposure to inappropriate content.

INAPPROPRIATE CONTENT

Some content on Snapchat isn't suitable for children. The hashtags used to group content are determined by the poster, so even an innocent search term could still yield age-inappropriate results. The app's disappearing messages feature also makes it easy for young people to share explicit images on impulse – so sexting continues to be a risk associated with Snapchat.

Advice for Parents & Educators

ACCESS THE SNAPCHAT FAMILY SAFETY HUB

Created with guidance from Common Sense Media, Snapchat has developed a Family Safety Hub that explains how the app works and how to use its in-app protections for teens. It's recommended that you review this guidance before allowing a child to download Snapchat. Remember, the app is only intended for children aged 13 and over.

BLOCK AND REPORT

If a stranger connects with a child on Snapchat and makes them feel uncomfortable by pressuring them to send or receive unwanted or inappropriate images, the child can tap the three dots on that person's profile to report or block them. There are options to state why they're reporting that user, with a tailored reporting section under the 'Nudity and Sexual Content' category. In this category, there's the option to report somebody for threatening to leak sexually explicit images, or 'nudes'.

ENCOURAGE OPEN DISCUSSIONS

Snapchat's risks can be easier to handle if you nurture an open dialogue. Talk about scams and blackmail before letting children sign up. If they're lured into a scam, encourage them to tell you immediately. Talk openly and non-judgementally about sexting, emphasising its inherent risks. Furthermore, explain how popular 'challenges' on the platform can have harmful consequences.

USE PRIVACY SETTINGS TOGETHER

Sit down with the children in your care and explore Snapchat's privacy settings as a shared activity. You can help them adjust who can contact them, view their stories, or see their location on Snap Map. It's a good opportunity to explain why some settings are safer than others, reinforcing their understanding of online boundaries. Encourage them to regularly review these settings, especially after app updates or changes in their friendship groups.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian Government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.
